

NATIONAL PLATFORM.

The following is the platform adopted by the National Convention of the Union Party held in Baltimore:

1. *Resolved*, That it is the highest duty of every American citizen to maintain against all enemies the integrity of the Union and the paramount authority of the Constitution and laws of the United States; and that, laying aside all differences and political opinions, we pledge ourselves, as Union men, animated by a common sentiment and aiming at a common object, to do everything in our power to aid the Government in quelling by force of arms the rebellion now raging against its authority, and in bringing to the punishment due to their crimes the rebels and traitors armed against it.

2. *Resolved*, That we approve the determination of the Government of the United States not to compromise with the rebels, or to offer any terms of peace, except such as may be based upon an unconditional surrender of their hostilities and return to their just allegiance to the Constitution and laws of the United States, and that we call upon the Government to maintain this position, and to promote the war with the utmost possible vigor to complete suppression of the rebellion, in the full reliance upon the self-sacrificing patriotism and heroic valor, and undying devotion of the American people to their country and its free institutions.

3. *Resolved*, That as slavery was the cause and now constitutes the strength of this rebellion, and as it must be, always and everywhere, hostile to the principles of republican government, justice and the National safety demands its utter and complete extirpation from the soil of the Republic. And that while we uphold and maintain the acts and proclamations by which the Government, in its own defense, has aimed a death-blow at the gigantic evil, we are in favor furthermore of such an amendment to the Constitution—to be made by the people, in conformity with its provisions—as shall terminate forever and prohibit the existence of slavery within its limits or the jurisdiction of the United States.

4. *Resolved*, That the thanks of the American people are due to the soldiers and sailors of the Army and Navy, who have periled their lives in defense of their country and in vindication of the honor of the flag; that the Nation owes to them some permanent recognition of their patriotism and their valor, and ample and permanent provision for those of the survivors who have received disabling and honorable wounds in the service of their country; and that the memories of those who have fallen in its defense shall be held in grateful and everlasting remembrance.

5. *Resolved*, That we approve and applaud the practical wisdom, the unselfish patriotism and the unwavering fidelity to the Constitution and the principles of American liberty with which Abraham Lincoln has discharged under circumstances of unparalleled difficulty, the great duties and responsibilities of the Presidential office; that we approve and indorse, as demanded by the emergency, and essential to the preservation of the Nation, and as within the provisions of the Constitution, the measures and acts which he has adopted to defend the Nation against its open and secret foes; that we approve especially the Proclamation of Emancipation, and the employment as Union soldiers of men heretofore held in slavery; and that we have full confidence in his determination to carry out these and other constitutional measures essential to the salvation of the country with full and complete effect.

6. *Resolved*, That we deem it essential to the general welfare that harmony should prevail in the National councils, and we regard as worthy of public confidence and official trust those only who cordially indorse the principles proclaimed in these resolutions, and which should characterize the administration of the Government.

7. *Resolved*, That the Government owes to all men employed in its armies, without regard to distinction of color, the full protection of the laws of war, and that any violation of these laws, or the usages of civilized nations in the time of war, by the rebels now in arms, should be made the subject of prompt and full redress.

8. *Resolved*, That foreign emigration, which in the past has added so much to the wealth, development of resources and increase of power to this Nation, the asylum of the oppressed of all nations, should be fostered and encouraged by a liberal and just policy.

9. *Resolved*, That we are in favor of the steady construction of the railroad to the Pacific.

10. *Resolved*, That the National faith, pledged for the redemption of the public debt, must be kept inviolate, and that for this purpose we recommend economy and rigid responsibility in the public expenditures, and a vigorous and just system of taxation; that it is the duty of every loyal State to sustain the credit and promote the use of the National currency.

11. *Resolved*, That we approve the position taken by the Government that the people of the United States can never regard with indifference the attempt of any European power to overthrow by force or to supplant the institutions of any Republican Government on the Western Continent; and that they will view with extreme jealousy, as menacing to the peace and independence of their own country, the efforts of any such Power to obtain new footholds for monarchical Governments, sustained by foreign military force, in near proximity to the United States.

Platform of the Union Party of California.

The following is the Platform adopted by the Union Party of California, in State Convention, August 31, 1864:

Resolved, That this Convention, representing the opinions and wishes of the Union party of California, is fully conscious of the immensity of the struggle, and of its consequences, in which this Nation and the Government representing it are now engaged. We accept the contest, with its crosses and its triumphs, as the condition upon which treason has made our National existence to depend. This contest, by action now deemed humiliating, we have long avoided; but when, at last, left no choice, attacked—peace and civilization, nation and home at once assailed—we have turned upon our enemies, resolved that this land shall hereafter be true to its professions of attachment to law, to justice and freedom.

Resolved, That we firmly adhere to the platform and declarations of the National Union Convention recently held in Baltimore.

Resolved, That John C. Fremont, in the support which he has given to the present Administration as Senator from California, is heartily indorsed and approved, and the loyal people of this State will hail with lively satisfaction his further co-operation with the Administration in its efforts to restore peace to the country by the destruction of the armed power of the States now in revolt against the Government.

PUTNAM MANUFACTURING CO.,
No. 13 Platt str., New York, Cleveland, Ohio, and Birmingham, Vt.
S. C. NORTHROP, Agent.

WHAT EVERYBODY KNOWS:

That Iron well galvanized will not rust; that a simple machine is better than a complicated one; that a wringer should be self-adjusting and efficient; that thumb-screws and fastenings cause delay and trouble; that water will swell, shrink and split; that wood bearings for a shaft to run in will wear out; that the Putnam Wringer, with or without cog-wheels, will not tear the clothes; that cog-wheel regulators are not essential, and not one of the disadvantages above named; that all who have tested it, pronounce it the best Wringer ever made; that it will wring a Thread or a Bed Quilt without alteration.

We might fill the paper with testimonials, but only insert a few to convince the skeptical, if such there be; and we say to all, trust Putnam's Wringer. Test it thoroughly with ANY and ALL others, and if not entirely satisfactory, return it.

Putnam Manufacturing Co.—Gentlemen—I know from practical experience that iron well galvanized with zinc will not oxidize or rust one particle. The Putnam Wringer is as near perfect as possible, and I can cheerfully recommend it to be the best in use.

Respectfully yours,
JNO. W. WHEELER,
No. 100 Beckman str., Cleveland, Ohio.

Many years' experience in the galvanizing business enable me to indorse the above statement in all particulars.
JNO. W. WHEELER,
No. 100 Beckman str., Cleveland, Ohio.

We have tested Putnam's Wringer by practical working and know that it will do it as cheap, as it is simple; it requires no room, whether at work or at rest; a child can operate it; it does its duty thoroughly; it saves time and it saves wear and tear. We earnestly advise all who have much washing to do, with all intelligent persons who have any, to buy this Wringer. It will pay for itself in a year at best.

THIS MEDICINE IS OF A PURELY VEGETABLE preparation and has never been known to fail in effecting a permanent cure in the following cases:
